Application No:	19/04598/OUT
Comments:	<p>The Lydiard Tregoze Parish Council objects to this application. It falls within the Essential Setting and outlying features of Lydiard Park, and will cause harm to the Heritage experience of the Grade I and II listed house, church and park.</p> <p>Further development in the area will also increase traffic on an already frequently congested and unsafe road.</p> <p>Previous applications of similar location have been opposed by other surrounding Councils, Community Groups, Statutory Groups and Members of Parliament, and rejected by the Planning Authority.</p>
