Taylor Wimpey Lydiard Park - June 3rd Consultation date set

After months of silence, Taylor Wimpey have announced a new public consultation date for their proposed, unplanned, housing development. The site is right on the borders of the English Heritage protected land beside Lydiard Park and is outside of both Swindon's and Wiltshire's local plans. Full details and further rationale for the SRA's opposition to this proposed development can be found on our website. Please make an effort to attend the consultation (whatever your views).

Shaw Village Centre Spruce up - May 23rd

We will meet at 10:30 outside the Village Inn pub in our ongoing efforts to keep our community as litter free as possible, and the shrubbery around the Shaw Village centre looking respectable. We would really love to see some additional volunteers come along to help. Litter pickers will be provided, but if you plan to help with the gardening, please bring along suitable weeding and pruning tools.
